VI. Miscellaneous

- a. For events marked with * the rules of Ziff. 2.5.11.5. RWR apply.
- b. The events marked with ** serve as the national trials. DRV national crews and crews seeded by the national coach compete in heats on Friday afternoon. Two additional qualification rounds (semifinal and final) will be held on Saturday. Foreign crews have a dedicated heat on Saturday Morning and will be seeded on two additional lanes in the german final based on the heats' results. Crews that do not want to compete in the heats can enter in the events with the suffix «a».
- c. Draws for all other events will be executed based on the respective table within the german RWR. The races on Sunday will generally be seeded based on the results of Saturday. In case of identical rankings, the time will be used.
- d. Late entries will be accepted only for filling heats and must be entered at latest two hours prior to the respective race. The entry fees for late entries are double the regular entry fee.
- e. The events of age category A (Under 19) will be held based on the World Rowing Rules of Racing, the events of age category B (Under 17) will be held based on the german RWR. Weighing of both coxswains and lightweights will generally be executed based on the german RWR. Due to the Covid-19 pandemic, these rules require only a single weighing per regatta.
- f. Hygiene and Infection Prevention Measures will be regularly published on our website www.wedau-regatta.com.
- g. By entering all competitors and attendant staff agree on any photography and additional recordings which will be taken and leveraged by the OC in connection with this competition.
